

# RM OF STANLEY SHELTERBELT PROGRAM

**Working with landowners and producers the RM of Stanley has developed an incentive program to encourage the planning and establishment of effective agricultural shelterbelts within the RM of Stanley.**

## **HOW IT WORKS:**

- Landowner to submit application to the Municipal Office
- Applications will be reviewed by the Municipality
- Approved applications will receive up to \$1,500 over a 3 year period:
  - o \$500.00 per half mile of planting in year 1 plus
  - o \$500.00 per half mile for maintenance in year 2 plus
  - o \$500.00 per half mile for maintenance in year 3
- Only those applications approved by The Municipality prior to planting qualify for the incentive
