**RE: PRECAUTIONARY BOIL WATER ADVISORY ISSUED TO A PORTION OF THE RM OF STANLEY**

Dear Dale Toews:

Drinking Water Officer, Stephen Yeo has advised me that the RM of Stanley water system has met all conditions for rescinding the precautionary boil water advisory and that bacteriological testing results meet regulatory standards.

I am therefore rescinding the precautionary boil water advisory that was placed on a portion of the RM of Stanley water system on September 20, 2021.

Please ensure all water users are notified that the advisory has been rescinded and that normal water usage can be resumed. A copy of this letter can be provided as notification. Notices posted in public locations such as washrooms are to be removed.

Should you have any questions, please contact Kale Black, Regional Drinking Water Officer at 204-795-6908.

Sincerely,

**Dr. Anna Johnston**  
Medical Officer of Health  
Southern Health-Santé Sud
