

Rural Municipality of Stanley

The Province of Manitoba has approved a Health Order to fog the City of Winkler plus a 3km extended area around the city with DeltaGard 20EW, for the purpose of adult mosquito control to reduce the risk of West Nile virus in the community.

Fog treatment is scheduled to take place the evening of Saturday, August 1st & Tuesday, August 4th 2026, after 9:30pm weather conditions permitting.
