

# **RURAL MUNICIPALITY OF STANLEY**

**Consolidated Financial Statements  
For the Year Ended December 31, 2023**

## STATEMENT OF RESPONSIBILITY

The accompanying Consolidated Financial Statements are the responsibility of the management of the Rural Municipality of Stanley and have been prepared in compliance with legislation, and in accordance with generally accepted accounting principles established by the Public Sector Accounting Board of The Chartered Professional Accountants Canada.

In carrying out its responsibilities, management maintains appropriate systems of internal and administrative controls designed to provide reasonable assurance that transactions are executed in accordance with proper authorization, that assets are properly accounted for and safeguarded, and that financial information produced is relevant and reliable.

Council of the Municipality met with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

Exchange Chartered Professional Accountants Inc. as the Municipality's appointed external auditors, have audited the Consolidated Financial Statements. The Auditors' report is addressed to the Reeve and members of Council and appears on the following page. Their opinion is based upon an examination conducted in accordance with Canadian generally accepted auditing standards, performing such tests and other procedures as they consider necessary to obtain reasonable assurance that the Consolidated Financial Statements are free of material misstatement and present fairly the financial position and results of the Municipality in accordance with Canadian public sector accounting standards.

---

Terry Penner  
Chief Administrative Officer

**INDEPENDENT AUDITORS' REPORT**

To the Mayor and members of Council of the  
**RURAL MUNICIPALITY OF STANLEY**

*Qualified Opinion*

We have audited the accompanying consolidated financial statements of the Rural Municipality of Stanley, which comprise the consolidated statement of financial position as at December 31, 2023 and the consolidated statements of operations and accumulated surplus, change in net financial assets and cash flows for the year ended December 31, 2023, and a summary of significant accounting policies and other explanatory information.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the consolidated financial statements present fairly, in all material respects, the financial position of the Rural Municipality of Stanley as at December 31, 2023, and the results of its operations, change in net financial assets, and cash flows for the year ended December 31, 2023 in accordance with Canadian Public Sector Accounting Standards.

*Basis for Qualified Opinion*

Under Canadian Public Sector Accounting Standards, as of the year ended December 31, 2023, the Municipality was required to adopt a new accounting standard, PS 3280 – Asset Retirement Obligations. The Municipality has not recognized a liability or related long lived assets for asset retirement obligations in the consolidated statement of financial position as at December 31, 2023 and has not recognized related expenses in the consolidated statement of operations for the year then ended.

Asset retirement obligations are legal obligations associated with the retirement of tangible capital assets. In order to adopt the standard, the Municipality would need to identify all legal obligations association with the retirement of its assets to ensure the completeness of the asset retirement obligations recorded, and estimate the future costs of remediation for these obligations to determine their valuation. The Municipality has not provided sufficient appropriate audit evidence regarding the completeness and the valuation of the amounts recorded and the disclosures required in respect of this liability.

In addition to not completing the assessment of assets that may be captured by the ARO, the municipality had previously established a landfill liability under the old standard, no other application of the new standard has been applied. It is the Municipality's intention to revise this when the remainder of the municipal assets have been assessed for applicability. As such we are unable to ascertain whether or not any adjustment may have been required to assets, the liability or expense relating there to.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the City in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Other Matter**

In common with the consolidated financial statements of other Municipalities in Manitoba, *Schedule 14 Reconciliation of Annual Surplus (Deficit)* has been included as required by the Province of Manitoba. This schedule is unaudited as no accounting standard is defined in the Municipal Act.

*Responsibilities of Management and Those Charged with Governance for the Financial Statements*

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal controls as management determines are necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Municipality's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Municipality or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Municipality's financial reporting process.

*Auditors' Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Municipality's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Municipality's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Municipality to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Municipality to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**RURAL MUNICIPALITY OF STANLEY**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**For the Year Ended December 31, 2023**

---

**1. Status of the Rural Municipality of Stanley**

The incorporated Rural Municipality of Stanley (the "Municipality") is a municipal government that was created in 1890 pursuant to The Municipal Act. The Municipality provides or funds municipal services such as police, fire, public works, planning, airport, parks and recreation, library and other general government operations. The Municipality owns one utility, has several designated special purpose reserves and provide funding support for other financial entities involved in economic development, recreation and tourism.

**2. Significant Accounting Policies**

The consolidated financial statements have been prepared in accordance with public sector accounting standards as recommended by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada and reflect the following significant accounting policies:

**a) Reporting Entity**

The consolidated financial statements include the assets, liabilities, revenues and expenses of the reporting entity. The reporting entity is comprised of all the funds, agencies, local boards, and committees of the Council which are controlled by the Municipality. Control is defined as the power to govern the financial and reporting policies of another organization with the expected benefits or risk of loss to the Municipality. The controlled organizations are consolidated after adjusting their accounting policies to a basis consistent with the accounting policies of the Municipality. Inter-fund and inter-company balances and transactions have been eliminated. There were no controlled organizations at December 31, 2023.

The Municipality has several partnership agreements in place, and as such, consistent with Canadian public sector accounting standards for government partnerships, the following local agencies, boards and commissions are accounted on a proportionate consolidation basis whereby the Municipality's pro-rata share of each of the assets, liabilities, revenues and expenses are combined on a line by line basis in the financial statements. Inter-company balances and transactions have been eliminated. The government partnerships include:

5959544 Manitoba Ltd (24.00%) (2022 - 24.00%)  
M.S.T.W Planning District (30.39%) (2022 - 30.39%)  
Morden Veterinary Services District (25.11%) (2022 - 25.11%)  
Pembina Valley Water Co-operative (5.56%) (2022 - 5.56%)  
Solid Waste Authority Management Project (10.35%) (2022 - 10.35%)  
South Central Regional Library (15.05%) (2022 - 15.05%)

The taxation with respect to the operations of the school divisions are not reflected in the Municipal surplus of these financial statements.

Trust funds and their related operations administered by the Municipality are not consolidated in these financial statements. Trust funds administered by the Municipality are presented in Note 16.

**b) Basis of Accounting**

The consolidated financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon the receipt of goods and services or the creation of an obligation to pay.

**c) Financial instruments**

The municipality as part of its operations carries a number of financial instruments. It is management's opinion that the municipality is not exposed to significant interest, currency or credit risk arising from these financial instruments, except as otherwise disclosed. Unless otherwise noted, the fair value of these financial instruments approximates their carrying values.

The municipality classifies its financial instruments as either fair value, cost or amortized cost. The municipality's accounting policy for each category is as follows:

Fair value:

This category includes derivatives and equity instruments quoted in an active market. The municipality has not designated any of its portfolio investments or borrowings at fair value that would otherwise be classified in the amortized cost category.

Financial instruments in the fair value category are initially recognized at cost and subsequently carried at fair value. Unrealized changes in fair value on unrestricted investments are recognized in the Consolidated Statement of Remeasurement Gains and Losses until they are realized. When realized they are transferred to the Consolidated Statement of Operations. Changes in fair value on restricted investments are recognized as unearned revenue until the restriction on its use is realized. At that time, the balance is transferred to the Consolidated Statement of Operations.

Cost or amortized cost:

This category includes cash and cash equivalents, accounts receivable, portfolio investments, accounts payable and public debt. They are initially recognized at cost and subsequently carried at amortized cost using the effective interest rate method, less any impairment losses on financial assets, except for donated financial assets, which are initially recognized at fair value.

**d) Foreign currency translation**

The municipality's foreign currency risk is reflected in its financial statements. Monetary assets and liabilities, denominated in a foreign currency, are translated at the year-end rate of exchange. Revenue and expense arising from a foreign currency transaction are translated into Canadian dollars at exchange rates approximating those in effect at the transaction date.

At each financial statement date, monetary assets, and liabilities, must be adjusted to reflect the exchange rate in effect at that date. Unrealized foreign exchange gains or losses that arise prior to settlement are recognized in the Consolidated Statement of Remeasurement Gains and Losses.

In the period of settlement, the cumulative amount of foreign exchange gains and losses is removed from the Consolidated Statement of Remeasurement Gains and Losses and is recognized in the Consolidated Statement of Operations.

**e) Cash and cash equivalents**

Cash equivalents include short-term highly liquid investments that are readily convertible to known amounts of cash and that are subject to an insignificant risk of changes in value.

**f) Portfolio Investments**

Portfolio investments are initially recognized at cost and subsequently carried at amortized cost using the effective interest rate method.

Portfolio investments denominated in a foreign currency are translated to the Canadian dollar equivalent at the exchange rate in effect at December 31. Changes in the value of portfolio investments due to foreign currency changes are recorded in the Statement of Remeasurement Gains and Losses until the investments are sold.

Investment income on portfolio investment investments, denominated in a foreign currency, are translated to Canadian dollar equivalents at the exchange rate in effect at the date of the transaction.

**g) Real Estate Properties Held for Sale**

Real estate properties held for sale are recorded at the lower of cost and net realizable value. Cost includes the amount of acquisition, legal fees, and improvements to prepare the properties for sale or servicing.

It is reasonably anticipated that real estate properties held for resale will be sold outside the reporting entity within one year of the balance sheet date.

## **h) Non-Financial Assets**

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the change in net financial assets (debt) for the year.

Real estate properties and inventories held for sale are classified as non-financial assets if it is anticipated that the sale will not be completed within one year of the reporting date.

## **i) Tangible Capital Assets**

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to the acquisition, construction, development or betterment of the asset. Donated assets are recorded at their estimated fair value upon acquisition. Certain tangible capital assets for which historical cost information is not available have been recorded at current fair market values discounted by a relevant inflation factor. Certain assets are disclosed at a nominal value as the determination of current fair market value was not available. The Municipality does not capitalize internal finance charges as part of the cost of its tangible capital assets.

### **General Tangible Capital Assets**

Land	Indefinite
Land Improvements	10 to 30 years
Buildings and leasehold improvements	
Buildings	25 to 40 years
Leasehold improvements	Life of lease
Vehicles and Equipment	
Vehicles	5 years
Machinery, equipment and furniture	10 years
Maintenance and road construction equipment	15 years
Computer Hardware and Software	4 years

### **Infrastructure Assets**

Transportation	
Land	Indefinite
Road surface	20 to 30 years
Road grade	40 years
Bridges	25 to 50 years
Traffic lights and equipment	10 years
Water and Sewer	
Land	Indefinite
Land improvements	30 to 50 years
Buildings	25 to 40 years
Underground networks	40 to 60 years
Machinery and equipment	10 to 20 years
Dams and other surface water structures	40 to 60 years

Certain assets which have historical or cultural value including works of art, historical documents as well as historical and cultural artifacts are not recognized as tangible capital assets because a reasonable estimate of the future benefits associated with such property cannot be made. Intangibles, Crown lands that have not been purchased by the municipality, forests, water, and other natural resources are not recognized as tangible capital assets.

### **j) Revenue Recognition**

#### **Fees and other revenues:**

Exchange transactions are transactions with performance obligations. A performance obligation is a promise to provide a distinct good or service or series of distinct goods or services to a payor for consideration. The municipality recognizes revenue when the performance obligations are satisfied, and the payor obtains control of the asset or benefits from the service provided.

Non-exchange transactions are transactions or events where there is no direct transfer of goods or services to a payor. The municipality receives an increase in economic resources for which the payor does not receive any direct goods or services in return. Revenue from non-exchange transactions is recognized when the municipality has the authority and identifies a past transaction or event that gives rise to an asset.

Revenue from product sales is recognized when the significant rewards of ownership of the products have passed to the buyer, usually on the delivery of products.

Revenue from contracts with customers is recognized at an amount equal to the transaction price allocated to the specific distinct performance obligation when the performance obligation is satisfied. Revenue from contracts with customers is evaluated and separated into distinct performance obligations when there is a distinct good or service to be transferred in the future.

#### **Government transfers:**

Transfer payments from other governments include all accruals determined for current year entitlements that have been authorized by December 31, for which any eligibility criteria have been met and that can be reasonably estimated. A liability is recorded to the extent that a transfer gives rise to an obligation that meets the definition of a liability in accordance with the criteria in PS 3200 Liabilities.

#### **Property taxes:**

Revenues from property taxes are accrued in the year they are authorized by Council. Property taxes are recorded net of tax concessions and other adjustments. Transfers made through the tax system are recognized as an expense.

#### **Externally restricted inflows:**

Externally restricted inflows are recognized as revenue in the period in which expenses are incurred for the purposes specified. Externally restricted inflows received before the expenses are incurred are reported as a liability.

### **k) Asset Retirement Obligations**

Asset retirement obligations reflect the legal obligations arising from the retirement of the municipality's

- there is a legal obligation for the municipality to incur costs in relation to a specific tangible capital
- there is a past transaction or event causing the liability that has occurred,
- when economic benefits will need to be given up to remediate the liability, and
- when a reasonable estimate of the liability can be made.

Tangible capital assets that are in use, no longer in use, or that are leased may all give rise to asset retirement obligations.

When a liability for an asset retirement obligation is initially recognized, a corresponding adjustment to the related tangible capital asset is also recognized. Through the passage of time in subsequent reporting periods, the carrying value of the liability is adjusted to reflect accretion expenses incurred in the current period. This expense ensures that the time value of money is considered when recognizing outstanding liabilities at each reporting date. The capitalized asset retirement cost within tangible capital assets is also simultaneously depreciated on the same basis as the underlying asset to which it relates.

At remediation, the municipality derecognizes the liability that was established. In some circumstances, gains or losses may be incurred upon settlement related to the ongoing measurement of the liability and corresponding estimates that were made and are recognized in the statement of operations.

## **I) Liability for contaminated sites**

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a

- i. an environmental standard exists;
- ii. contamination exceeds the environmental standard;
- iii. The municipality:
  - is directly responsible; or
  - accepts responsibility; and
- iv. a reasonable estimate of the amount can be made.

## **m) Inventories**

Inventories held for sale are recorded at the lower of cost and net realizable value.

Inventories held for consumption are recorded at the lower of cost and replacement value.

## **n) Measurement Uncertainty**

Estimates are used to accrue revenues and expenses in circumstances where the actual accrued amounts are unknown at the time the financial statements are prepared. Uncertainty in the determination of the amount at which an item is recognized in the financial statements is known as measurement uncertainty. Such uncertainty exists when there is a variance between the recognized amount and another reasonable possible amount, as there is whenever estimates are used.

Measurement uncertainty in these financial statements exists in the estimate of asset retirement obligations. The liability associated with asset retirement obligations reflects the best estimates by management of the amount required to remediate such liabilities, the timing when such remediation will occur, and the estimated future cash flows associated with asset retirement discounted to the financial statement date. The actual future cash flows and timing of obligations arising from asset retirement may differ significantly from these estimates.

## **o) Future Changes in Accounting Standards**

A number of new and amended Canadian public sector accounting standards have been issued and not applied in preparing these financial statements. These standards will come into effect as follows:

- PS 3400 Revenue (effective January 1, 2024), a new standard establishing guidance on the recognition, measurement, presentation and disclosure of revenue. Earlier adoption is permitted.
- PS 3160 Public Private Partnerships (effective January 1, 2024), is a new standard establishing guidance on the recognition, measurement and disclosure of public private partnerships arrangements. Earlier adoption is permitted.
- PSG - 8 Purchased intangibles (effective January 1, 2024) provides guidelines on the accounting and reporting for purchased intangible assets that are acquired through arm's length exchange transactions between knowledgeable, willing parties that are under no compulsion to act.

These new accounting standards have not been applied in preparing these consolidated financial statements.

The Municipality is currently assessing the impact of the new standards, and the extent of the impact of their adoption on the consolidated financial statements has not yet been determined.

### 3. Cash and Temporary Investments

Cash and temporary investments are comprised of the following:

	<u>2023</u>	<u>2022</u>
Cash	\$ 18,744,495	\$ 14,824,202
Temporary investments	-	-
	<u><b>\$ 18,744,495</b></u>	<u><b>\$ 14,824,202</b></u>

The Municipality has designated \$ 6,636,117 (2022 - \$6,559,936) to reserves for debt principal repayments and tangible capital asset acquisitions. See Schedule 6 – Schedule of Change in Reserve Fund Balances.

The Municipality has access to a line of credit with a limit of \$2,000,000 and repayable upon demand. The line of credit bears interest at 4.45% effective December 31, 2023, is secured by a general security agreement and an assignment of certain receivables. The line of credit was unutilized at December 31, 2023 (\$NIL - 2022).

### 4. Amounts Receivable

Amounts receivable are valued at their net realizable value.

	<u>2023</u>	<u>2022</u>
Taxes on roll (Schedule 11)	\$ 613,623	\$ 646,930
Government grants	288,314	-
Utility customers	285,390	271,549
Accrued interest	-	-
Organizations and individuals	862,221	1,651,625
Other governments	68,187	48,660
Other	-	-
	<u><b>2,117,735</b></u>	<u><b>2,618,764</b></u>
Less allowances for doubtful amounts	-	-
	<u><b>\$ 2,117,735</b></u>	<u><b>\$ 2,618,764</b></u>

### 5. Inventories

	<u>2023</u>	<u>2022</u>
Culverts	\$ 186,201	\$ 196,936
Aggregate and embedded rock	349,237	266,878
Other supplies	138,326	125,157
Other (specify)	-	-
	<u><b>\$ 673,764</b></u>	<u><b>\$ 588,971</b></u>

### 6. Accounts Payable and Accrued Liabilities

	<u>2023</u>	<u>2022</u>
Accounts payable	\$ 1,855,969	\$ 1,373,385
Accrued expenses	266,470	437,935
Accrued wages and employee benefits	-	-
School levies	1,080,384	501,969
Other governments	8,671,558	4,966,666
Other (specify)	-	-
	<u><b>\$ 11,874,381</b></u>	<u><b>\$ 7,279,955</b></u>

### 7. Sick Leave Payable

The employees can accumulate a maximum of eighty-four (84) sick days. Any employee accumulating sick leave in excess to 84 days shall be reimbursed at the end of December of each year for all working days accumulated in excess of 84 days at a rate of \$60.00 per day. As at December 31, 2023, the Municipality has a liability of \$5,045 (2022 - \$4,766) for sick leave presented on the consolidated statement of financial position.

## 8. Asset Retirement Obligations

### Pembina Valley Water Co-Operative Inc. (Government Partnership)

	<u>2023</u>	<u>2022</u>
Balance, beginning of year	<u>\$ 2,838,635</u>	\$ -
Accretion expense	123,764	-
Estimated total liability	<u>\$ 2,962,399</u>	\$ -
Rural Municipality of Stanley's portion (5.56%)	<u>\$ 164,578</u>	-

Pembina Valley Water Co-op adopted the ARO standard in 2023 and elected to apply it proactively.

The Cooperative is legally required to perform closure, post-closure and remediation activities on sites containing asbestos and other related obligations meeting the criteria of PS 3280. Management determined there to be an asset retirement obligation in regards to an old concrete pipeline containing asbestos. The expected future cash outflow has been determined using an inflation rate of 4.0% and estimated to be \$5,618,944 in the year that the retirement cost is expected to occur. The year of expected future cash flow has been determined using the asset's useful life or planned remediation date with estimated dates of 2038. The Cooperative recognized a liability for the asset retirement obligation and a corresponding amount has been capitalized as an asset retirement cost and added to the carrying value of the water pipeline. The asset retirement cost is amortized on a straight-line basis over the useful life of the related tangible capital asset.

The Cooperative estimated the amount of the liability using the present value technique with the discount rate set at 4.36% which represents the CIBC average cost of borrowing for the Cooperative.

## 9. Landfill Closure and Post Closure Liabilities

### a) Operating Landfill Site

The Municipality is currently operating a Class 1 landfill site in partnership (Solid Waste Authority Management Project - "SWAMP") with the City of Morden and the City of Winkler. Legislation requires closure and post-closure care of solid waste landfill sites. Closure costs include final covering and landscaping of the landfill and implementation of drainage and gas management plans. Post closure care requirements include cap maintenance, groundwater monitoring, gas management system operations, inspections and annual reports.

	<u>2023</u>	<u>2022</u>
Estimated closure and post closure costs over the next 115 years	<u>\$ 9,228,288</u>	\$ 9,228,288
Discount rate	<u>3.80%</u>	3.80%
<b>Discounted costs</b>	<u>\$ 759,870</u>	\$ 732,073
Expected year capacity will be reached	<u>2090</u>	2090
Capacity ( disclose in tonnes, volume, acreage, or years):		
Used to date	27	26
Remaining	67	68
Total	94	94
Percent utilized	<u>28.72%</u>	27.66%
<b>Liability based on percentage</b>	<u>\$ 218,261</u>	\$ 202,488
<b>Rural Municipality of Stanley's share (10.35%)</b>	<u>\$ 22,590</u>	\$ 20,958

In June of 2024 the organization received a new study on the expected life of the landfill is reviewing it. Any changes will be made in 2024.

## 10. Long Term Debt

	<u>2023</u>	<u>2022</u>
<b>General Authority:</b>		
Debenture, interest at 3.50%, payable at \$37,515 annually including interest, maturing December 2026	\$ 96,191	\$ 129,129
Debenture, interest at 4.73%, payable at \$23,648 annually including interest, maturing November 2025	44,140	64,727
Debenture, interest at 5.31%, payable at \$35,582 annually including interest, maturing June 2031	227,118	249,454
Commercial loan, interest at 4.25%, payable at \$15,431 monthly including interest, maturing January 2032	1,061,201	1,198,119
Debenture, interest at 3.75%, payable at \$33,606 annually including interest, maturing December 1, 2025	53,860	84,305
Debenture, interest at 1.81%, payable at \$65,133 annually including interest, maturing December 1, 2025	126,812	188,532
Debenture, interest at 2.25%, payable at \$14,098 annually including interest, maturing December 1, 2031	102,174	113,714
Debenture, interest at 3.89%, payable at \$32,861 annually including interest, maturing December 1, 2027	114,227	141,506
Debenture, interest at 4.19%, payable at \$43,312 annually including interest, maturing December 1, 2028	187,258	229,762
Debenture, interest at 2.59%, payable at \$16,576 annually including interest, maturing December 1, 2030	105,096	118,626
Debenture, interest at 5.00%, payable at \$5,180 annually including interest, maturing December 1, 2033	40,000	-
Debenture, interest at 3.75%, payable at \$126,952 annually including interest, maturing July 1, 2027	463,551	569,160
Debenture, interest at 4.50%, payable at \$5,687 annually including interest, maturing December 1, 2032	41,338	45,000
Debenture, interest at 4.50%, payable at \$2,528 annually including interest, maturing December 1, 2032	18,372	20,000
Debenture, interest at 4.90%, payable at \$3,110 annually including interest, maturing December 1, 2027	11,052	13,500
<b>Total General Authority</b>	<b>\$ 2,692,390</b>	<b>\$ 3,165,534</b>
<b>Government Partnerships:</b>		
Canadian Imperial Bank of Commerce demand facility with 30 day Bankers' Acceptances reducing by \$103,368 principal and interest installments per month, with monthly interest payments fixed through interest rate swaps at 3.56% including stamping fee of 0.81% until July 2023, amortized over 15 years. Secured by a general security agreement over accounts receivable and all property owned by the Cooperative. If not demanded, matures July 2033. (5.56% of \$10,924,747)	\$ 557,183	\$ 607,414
Canadian Imperial Bank of Commerce demand facility with 30 day Bankers' Acceptances reducing by \$8,077 principal installments per month, plus interest at the CIBC Bankers' Acceptance floating rate (2.07% at December 31, 2019) plus stamping fee of 0.81%, amortized over 15 years. 2025	\$ 793,826
2026	\$ 635,188
2027	\$ 626,262
2028	\$ 493,032

## 11. Retirement Benefits

The majority of the employees of the Municipality are members of the Municipal Employees' Pension Plan (MEPP), which is a multi-employer defined benefit pension plan. MEPP members will receive benefits based on 1.5% of their final average yearly Canada Pension Plan (CPP) earnings times years of service, plus 2% of their final average yearly non-CPP earnings times years of service. The costs of the retirement plan are not allocated to the individual entities within the related group. As a result, individual entities within the related group are not able to identify their share of the underlying assets and liabilities. Therefore, the plan is accounted for as a defined contribution plan in accordance with the requirements of the Chartered Professional Accountants of Canada Handbook section PS3250.

Pension assets consist of investment grade securities. Market and credit risk on these securities are managed by MEPP by placing plan assets in trust and through MEPP investment policy. The pension expense is based on the contribution rate. The MEPP required that employees contribute 8.3% of basic annual earnings up to the CPP ceiling plus 9.5% of basic annual earnings in excess of the CPP ceiling, plus an additional 0.1% of earnings below and in excess of the CPP ceiling from employees that are not members of the Municipal Disability Income Plan. The employers are required to match the employee contributions to the MEPP. Actual contributions to MEPP made during the year by the municipality on behalf of its employees amounted to \$141,688 (2022 - \$121,269) and are included in the statement of operations.

Subject to the following paragraph, any unfunded liabilities are to be funded by the participating employers. The most recent actuarial valuation as of December 31, 2022, indicated the plan was 111.6% funded on a going concern basis and had an unfunded solvency liability of \$19.3 million. The solvency position of the plan is determined by comparing the plan assets to the actuarial present value of the benefits accrued in respect of credited service up to the valuation date, calculated as if the plan were wound up on December 31, 2022.

In 2010, the Government of Manitoba enacted a regulation which permits sponsors of public sector pension plans, including MEPP, to elect permanent exemption from solvency funding requirements subject to certain conditions stated in the regulation. MEPP has elected permanent exemption from solvency funding requirements. As a result, solvency funding is no longer required by MEPP.

## 12. Financial Instruments

The Municipality as part of its operations carries a number of financial instruments. It is management's opinion the Municipality is not exposed to significant interest, currency or credit risk arising from these financial instruments, except as otherwise disclosed. Unless otherwise noted, the fair value of these financial instruments approximates their carrying values.

## 13. Budget

The financial plan is prepared on a revenue and expenditure basis. For comparative purposes, the Municipality has modified its financial plan to prepare a budget that is consistent with the scope and accounting principles used to report the actual results. The budget figures used in these financial statements have been approved by council.

The reconciliation between the financial plan and the budget figures used in these statements is disclosed in Schedule 10 - Reconciliation of the Financial Plan to the Budget.

#### 14. Accumulated Surplus

	<u>2023</u>	<u>2022</u>
Accumulated surplus consists of the following:		
General operating fund - Nominal surplus	\$ 2,781,185	\$ 2,600,043
Utility operating fund(s) - Nominal surplus	(1,072,418)	877,457
TCA net of related borrowings	27,724,472	23,012,677
Reserve funds	<u>6,636,117</u>	6,559,936
Accumulated surplus of municipality unconsolidated	<u>36,069,356</u>	33,050,113
Accumulated surpluses of consolidated entities	<u>3,737,839</u>	3,130,931
Accumulated surplus per Consolidated Statement of Financial Position	<u>\$ 39,807,195</u>	\$ 36,181,044

#### 15. Public Sector Compensation Disclosure

It is a requirement of the Public Sector Compensation Disclosure Act that annual public disclosure be made of aggregate compensation paid to members of council, and of individual compensation in an amount exceeding \$85,000 annually to any member of council, officer or employee of the Municipality. For the year ended December 31, 2023:

- a) Compensation paid to members of council amounted to \$219,787 in aggregate.
- b) There were no members of council receiving compensation in excess of \$85,000 individually.

Council Members:

	<u>Compensation</u>	<u>Expenses</u>	<u>Total</u>
Reeve - I Friesen	\$ 38,914	\$ 3,339	\$ 42,253
Councillor - R Giesbrecht	24,834	3,880	28,714
Councillor - A Loewen	24,009	1,534	25,543
Councillor - R Unrau	28,097	2,565	30,662
Councillor - J Goertzen	25,265	1,627	26,892
Councillor - J Zacharias	28,397	1,421	29,818
Councillor - P Froese	<u>34,154</u>	<u>1,752</u>	<u>35,906</u>
	<u>\$ 203,670</u>	<u>\$ 16,118</u>	<u>\$ 219,788</u>

- c) A separate schedule of compensation of officers and employees receiving compensation in excess of \$85,000 has been prepared.

#### 16. Trust Funds

The Rural Municipality of Stanley administers the following trust:

	<u>Balance, beg. of the year</u>	<u>Excess of Receipts over Disbursements</u>	<u>Balance, end of the year</u>
<i>Cheval Utility</i>	<u>\$ 7,127</u>	<u>\$ (13,554)</u>	<u>\$ (6,427)</u>

## 17. Segmented Information

The Rural Municipality of Stanley provides a wide ranges of services to its residents.

Segment information has been provided in Schedule 4 for the following services:

- General Government
- Protective Services
- Transportation Services
- Environmental Health
- Public Health and Welfare Services
- Regional Planning and Development
- Resources Conservation and Industrial Development
- Recreation and Cultural Services
- Water and Sewer Services

Revenues and expenses represent amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies of the segments are consistent with those followed in the preparation of the financial statements as described in the summary of significant accounting policies.

## 18. Government Partnerships

The municipality has several partnership agreements for municipal services. The consolidated financial statements include the municipality's proportionate interest, as disclosed in note 2(a). The aggregate financial statements of the government partnerships, in condensed summary, are as follows:

	<b>2022</b>	<b>2021</b>
<b>Financial Position</b>		
Financial assets	\$ 2,236,296	\$ 1,435,934
Financial liabilities	<u>2,316,863</u>	<u>1,660,853</u>
Net financial assets (liabilities)	<u>\$ (80,567)</u>	<u>\$ (224,919)</u>
Non-financial assets	<u>3,818,408</u>	<u>3,355,852</u>
Accumulated surplus	<u><b>\$ 3,737,841</b></u>	<u><b>\$ 3,130,933</b></u>
<b>Result of Operations</b>		
Revenues	\$ 1,936,944	\$ 1,705,097
Expenses	<u>1,330,036</u>	<u>963,697</u>
Annual surplus	<u><b>\$ 606,908</b></u>	<u><b>\$ 741,400</b></u>

## 19. Public Utilities Board

The Public Utilities Board (PUB) regulates the rates charged by all water and sewer utilities, except the City of Winnipeg utility and those utilities operated by the Manitoba Water Services Board. PUB has the authority to order any owner of a utility to adopt uniform and prescribed accounting policies. PUB's prescribed accounting policies on tangible capital assets and government transfers do not meet the recommendations of PSAB.

For information purposes, the Municipality has deferred the capital grants it has received in the past for its utilities and amortized them over the useful life of the related tangible capital asset.

No capital grants have been deferred and amortized in these financial statements.

### Water services:

Description of Utility	Unamortized Opening Balance	Additions During Year	Amortization During Year	Unamortized Balance Ending
Stanley	<u>\$ 4,726,846</u>	<u>\$ 1,858,371</u>	<u>\$ 161,948</u>	<u>\$ 6,423,269</u>

## 20. Financial Presentation

The previous year's financial information has been changed to conform to the present year's presentation.

**RURAL MUNICIPALITY OF STANLEY**  
**CONSOLIDATED SCHEDULE OF TANGIBLE CAPITAL ASSETS**
